

2025 WOW Exhibitor Recruitment

Central Montana Works and our community partners are thrilled to announce Worlds of Work (WOW) on September 23rd, 2025. This world-class career exploration event launches its third year at Great Falls College – MSU and the University of Providence from 8:00AM - 4:00PM.

WOW is a career expo – NOT a typical job fair, and this event opens new avenues of opportunity for students they never knew were possible. They benefit from an opportunity to see every career pathway in their own backyard. We aim to grow our own and keep our students in Montana, if not our region, and we need your help to entice them.

This event simply can't be the extraordinary experience it is without our incredibly dedicated new and returning local businesses as event exhibitors. Today we ask for you to join us at this year's event. The following are steps to commit for 2025 are as follows:

Need More Information???

Over 2000 8th & 10th grade students will navigate through 4 zones with 16 worlds (industry career clusters) amounting to 60-100 exhibitors. Exhibitors provide an experiential introduction to a specific business or industry cluster. Everything from medical procedures to operation of chainsaws and welding simulators to green screens and robotics. All of these are hands-on opportunities to showcase well-paying, in-demand careers in our own community. Event video is available on the registration homepage.

Thank you for your time & consideration!
